MEDICAL STUDENT EDUCATION

Hello Class of 2020!

As you get ready to finish Foundations and prepare for Step 1, it is also time for you to meet with your Primary Advisor (AKA your PCR preceptor from last year) for your 2nd year Advising Meeting.

**Your tasks are:**

- Contact your advisor and schedule a 20-30 minute meeting.
- Download/save the [Foundations M2 Meeting form](#) to your desktop, complete the form, and send it to your advisor in advance of the meeting
- Have the meeting **by the end of December.**

That's all. It is a great opportunity to catch up with your PCR preceptor and start (or continue) a dialogue about your medical education and career interests. Let us know if you have any questions.

Sincerely,

Christa H. Zehle, MD  
Associate Dean for Students  
Associate Professor of Pediatrics
