A few things for the Class of 2019:

For students interested in Physical Medicine & Rehabilitation: [The Association of Academic Physiatrists \(AAP\)](#) has launched the [AAP PM&R Career Advising website](#) with PM&R advisors recruited from different geographic regions. Additional information and resources are available on the [AAP Medical Student Information Center](#) and the [American Academy of PM&R website for students](#).

RAD Meetings and the MSPE: If you haven't already done so, please [sign up](#) for your Residency Application Decision (RAD) meeting with Dr. Zehle. You must also complete and upload the **Pre-Meeting Survey** and upload copies of your CV and personal statement in Oasis (Academic History > MSPE tab), and complete the Introductory Information and Noteworthy Characteristics of the MSPE in [the online system](#) **ONE WEEK IN ADVANCE** of your meeting. If these items are not complete prior to the meeting you will need to reschedule and spaces are limited.

Med School Transcripts for ERAS: Transcripts should be requested online via the [myUVM](#) portal.
