Dear Larner College of Medicine Students,

Student Council is thrilled to announce the election of the **Class of 2020 President Elect, Ava Bakhtyari**. Ava will serve as the President Elect during her third year and subsequently as the President of Student Council during her fourth year. Her term as President Elect begins on Match Day, which, for those who don't already know, is Friday, March 16. This day also marks the transition of President Elect Hyunsoo No into his new role as President. We are thrilled to have Ava and Hyunsoo leading us into this new year.

Please join us in congratulating Ava on her election to this important role, as well as Hyunsoo as he begins his term as President.

Sincerely,
