### [Program Information](#)

These regional conferences are OPEN TO ALL but are tailored to encourage trainees

---

(medical students, residents, PhDs)  
who are underrepresented in medicine (women, LGBTQ, and racial and ethnic  
minorities) to consider academic medicine careers .

### **Learning Objectives**

- Explore academic medicine careers to fit with their personal and professional interests.
  - Navigate the array of academic medicine career paths and opportunities.
  - Develop and enhance their academic medicine portfolio.
- Expand their network among academic medicine colleagues and role models.

### **Workshop Topics**

**Diversity and Inclusion in the Academic Medicine Workforce**

**Academic Medicine Career Roles and Responsibilities**

**Financing An Academic Medicine Career**

**The Intersection of Health Policy and Academia**

**Educational Scholarship**

**Research Scholarship**

**Service Scholarship**

**Academic Medicine Career Portfolios and Promotion**

**Finding an Academic Residency**

**Finding an Academic Position After Residency**
