

CONFUSED ABOUT THE  
CLERKSHIP GRADING POLICY  
AND HOW TO GET

# HONORS?

Aiming to get HONORS in a clerkship? Great!  
Remember that you're not competing against those in  
your Flight Group for Honors.

To get Honors, you need to score in the top 25-30%  
of the clerkship for the final grade based on the  
previous class.

More on Clerkship Grading Policy in the  
Student Handbook.
