

TO: Class of 2020

Hi everyone,

Some of you have already started thinking about your [Advanced Integration year](#) and are wondering what you should be doing to prepare.

Dr. Zehle and the Medical Student Services Team hold a class meeting every fall about what to expect and how to plan for Advanced Integration. The date for this year's meeting is still to be confirmed but we will notify the class as soon as it is finalized.

During this 2-hour meeting we'll talk about a number of topics including:

- Choosing a specialty and identifying a specialty advisor
- requirements for graduation
 - Medicine AI
 - 2nd AI of your choice
 - Emergency Medicine
 - Surgical Subspecialty
 - Teaching Requirement or Scholarly Project
 - Step 2CK and Step 2 CS
- the scheduling process including lotteries and add/drop in Oasis
- applying for away electives/extramurals
- The Medical Student Performance Evaluation (MSPE)
- Policies relevant to Advanced Integration

Please visit the [Frequently Asked Questions page](#) for answers to common questions about this stage of the curriculum.

If, after the meeting, you still have questions or concerns about the Advanced Integration level, you will be able to sign up for a [drop-in session](#) with Dr. Zehle.

Sincerely,

Emma Faustner *(she/her)*

Student Services Specialist

Advanced Integration and Residency Application Coordinator
