**Subject:** The 2020 Y2Q!  
**Importance:** High

**RE: Information about the 2017 AAMC Year Two Questionnaire (Y2Q)**

Dear Class of 2020,

The co2020 Y2Q has arrived and that means you are one step closer to graduation (you might not even remember that MSQ business anymore – with your brain so full of new knowledge)!

On October 01, you will receive an email from [Y2Q@aamc.org](mailto:Y2Q@aamc.org) containing a private, unique link to the Y2Q survey. Please see the [Y2Q overview letter and flyer](#) for additional information regarding the Y2Q survey. Prior to completing the survey, please consider reviewing the following information.

- Information about the [curriculum](#) and the [VIC](#).
- Information about the Learning Environment.
  - [Positive Learning Environment and Mistreatment Prevention Policy](#)
  - [Procedure for Reporting Violations of the Positive Learning Environment and Mistreatment Prevention Policy](#)

Your feedback of your experiences here are very important to us, and we use the information from the Y2Q to modify and/or improve the medical education we provide. I am confident that we will have full participation this year, so thank you in advance for making that happen.

To encourage your participation, we are offering the following incentives:

- Weekly drawings for FUN prizes! Print and bring your confirmation email that you receive after submitting your survey or print a screenshot of your submission confirmation to the OMSE and place in the designated Y2Q box for weekly drawings. Drawings will occur every Tuesday. First opportunity to win will be Tuesday, October 10, 2017.
- We will donate \$1 per student who completes the survey by the time it closes on January 02, 2018, to your class gift.
- If we have 100% participation by the survey deadline (January 02, 2018), we will host an ice cream social for your class before you begin your clerkship rotations.

Thank you in advance for participating in this important AAMC survey!

Kind regards,

Your appreciative Dean for Students J
