CVRI Summer Research Fellowships for Cardiovascular-Related Research: If you're interested in doing a cardiovascular-related research during summer 2019, we encourage you to [visit the CVRI website](#) for a list of current investigators willing to mentor students. CVRI funds a limited number of summer research fellowships and in addition to the fellowship stipend provides \$1,000 to each mentor for research supplies and expenses. To apply, be sure to follow the LCOM Summer Research Fellowship program requirements and timeline under [COMET >> Student Affairs Lounge >> Summer Opportunities>>LCOM Summer Research Fellowship](#).
