

Dana Medical Library Workshop - Introduction to EndNote FOR PC USERS

Dana Medical Library Classroom

Wednesday, Dec 13th 2017, 12:00:00 pm - 1:00:00 pm

Need a little guidance on how to use a database, access journal articles, or export citations? Dana's Fall library workshops will help you with these important research needs, plus more! Please join us in the Dana Classroom for one of our Fall workshops.

The workshops are open to everyone at UVM and UVM Medical Center. Preregistration is not required. Attendees are encouraged to bring their own laptop to the workshop so that they can work along with the instructor.

Introduction to EndNote FOR PC USERS

Instructor: Laura Haines, MLS

In this workshop, you will learn how to:

- Export citations from journal article databases into an EndNote library
- Find, annotate, and save PDFs
- Create bibliographies and add in-text citations in a Word document using a specified style
