

December Dining with the Deans Luncheon

Given E105 Dean's Large Conference Room
Wednesday, Dec 13th 2017, 12:00:00 pm - 1:00:00 pm

Join Dean Zehle and Dean Jeffries to promote positive collaboration between the students and members of the administration over a Sugar Snap-catered lunch. Share your concerns, identify problems, and suggest solutions that you may have regarding your medical education. The Larner College of Medicine @UVM is a great institution and we would love to hear what works and your ideas on how we can further improve our programs.

This month's special guest is Frederick C. Morin III, M.D., Dean of the Larner College of Medicine. Read more about the Dean on our ["About the Dean" Webpage](#) and read the press release regarding his decision to step down as the dean: ["Capstone of a Career: Dean Morin to Step Down in 2018"](#).
