Gold Humanism Honor Society

- The Gold Humanism Honor Society (GHHS) recognizes students, residents and faculty who are exemplars of compassionate patient care and who serve as role models, mentors, and leaders in medicine. GHHS members are peer nominated and are the ones that others say they want taking care of their own family.
- The Society currently has over 25,000 members in training and practice.

Benefits of Membership

- International recognition of humanistic achievement
- Special recognition on the ERSA residency application form
- Leadership development opportunities
- Chapter awards and grants
- Networking and mentoring connections
- Professional conferences, lectures and workshops
- Resources to promote humanistic care in their community

Selection for membership

- Nominations from faculty and peers
- Selected by GHHS committee
- 15% of the class selected at the end of the clerkship year

Selection Survey

- The classmates you would like to have at your side in a medical emergency
- The classmates who best personify the quote
“The secret of good patient care lies in caring for the patient”
- The classmates who have shown exceptional interest in service to their communities
- The classmates who would be best choices for a highly desired residency
- The classmates you would want as the doctor for yourself or a loved one
- The classmates who have the best listening skills with patients
