

VOLUNTEER IN NICARAGUA, TANZANIA, THAILAND AND LAOS WITH GIVE!

Travel the world, broaden your perspective and help us change the lives of others. Learn how to make an impact overseas hand-in-hand with the locals and **Be the Roots of Change!**

Immerse yourself in a foreign culture, have an adventure of a lifetime, and help communities abroad by joining **GIVE!** Check out our website <https://www.givevolunteers.org/> to learn all about our unique international volunteer opportunities this upcoming winter and summer. We hope to see you there!

As a **GIVE** volunteer, you will work within these communities and alongside the locals participating in a wide range of things from building schools out of recyclable materials to playing soccer on the beach. **GIVE** bases its projects off three different pillars of sustainability: **critical infrastructure, wildlife conservation and english education.**

SO, Become a part of our **GIVE** family and help us empower local villages in Thailand, Laos, Nicaragua, and Tanzania.

Go on adventures immersed in the culture of your host country! This includes (but is most definitely not limited to): overnight safaris, trekking with elephants, sand-boarding down an active volcano, scuba diving, snorkeling, swimming with dolphins and sharks in tropical waters, surfing, cave exploration, and much, MUCH more!

Now is the time: Change your life. Change the world. And Be the Roots of Change!

Seeing is Believing. Watch our [video](#) to see GIVE in action!

Cheers!
