## HonorHealth Physical Medicine and Rehabilitation Residency Accreditation

HonorHealth, in partnership with the Phoenix VA Health Care System and with Select Medical, has been granted initial accreditation through the Accreditation Council for Graduate Medical Education (ACGME) for a Physical Medicine and Rehabilitation (PM&R) residency program. This is the only accredited PM&R residency program in Arizona.

HonorHealth Rehabilitation Hospital (HRRH) will serve as the base site for residency training. HRRH provides rehabilitation programs through comprehensive physical medicine and rehabilitation services. The program is under the leadership of Dr. Nandita Keole, Program Director, and Dr. Ronald Quang, Associate Program Director. The program is accepting applications for the 2019 Match cycle through the AAMC's Electronic Residency Application System (ERAS) for two PGY2 positions starting in July of 2019 and 2020. Applicants must have preliminary medicine or transitional year completed.

For more info on this program, please email [PMRResidency@honorhealth.com](mailto:PMRResidency@honorhealth.com) and visit our webpage at [www.honorhealth.com/academic-affairs](http://www.honorhealth.com/academic-affairs).
