Subject: Showers at last!!

Great news!! We have located, secured and updated showers for our medical students!! There are [two locations](#), one in the HSRF basement and the other over in Stafford Hall, 4th floor. Feel free to use these amenities whenever you need!

We would like to acknowledge and thank the Orthopedics Department, Animal Care and the Facilities Department for allowing our students to use these facilities!

Thank you also to the students who invested time advocating for shower facilities for our students!

If you have any questions or suggestions for our “new” showers, contact [Student COM Services](#) or stop by OMSE.
