.Seeking a roommate

My name is Katie Trombley and I am an employee and UVMMC. A Med student gave me this email after talking about needing to find a roommate. I will be moving out of my current apartment at the end of August, so I will need to find a roommate/new apartment by the beginning of September. I have an elderly cat who is declawed and friendly, but he prefers to be the only animal in the house.

I can be reached either by my email which is trombley133@gmail.com or text/call me at 518-578-5808.
