Current Housing Opportunities for LCOM Medical Students

Room available for 2-3 nights/week; Close to downtown and UVMMC
We have an extra bedroom, with good light and a comfortable bed, in our home on Spruce Street that we would be happy to offer to a clean, quiet, non-smoking person a few nights a week for $50 per night. Off-street parking. Laundry and kitchen are available. Contact jladdbvt@gmail.com if you are interested.

Apartment Available
If anyone is looking or knows of anyone who might be interested in a place let me know. Prefer residents. We will tentatively be renting out our 2 bedroom condo in Winooski. It's a great location on East Allen Street. 5 min drive from the hospital or 15-20 min walk. Wood floors in all the rooms, nice finishes. Stainless steel appliances with Dishwasher, washer and dryer included. Utilities or price potentially negotiable but likely charge around $1650. Water, snow plowing included. Gas/heat included too! We will start showing it end of September probably once we move out (repaint walls and remove all of our stuff). Ideal for a couple, single person, or 2 people (one bedroom is smaller though). Pets negotiable. Looking for yearly lease but the first year will end in June due to the late start. Read more on the craigslist posting. Email me if you are interested. Emily.strout@uvmhealth.org
