4/5-Bedroom Apartment for Ren – August 2018
4-5bdrm apartment available for rent starting August 2018. This house is on Fletcher Place, which is directly across the street from the entrance to the hospital. Walking time is less than 5 minutes. Landlord is very motivated to fill this spot with medical students. There is a group of 4 medical students already living on the street, and it is quiet and provides great access to the hospital with easy going (QUIET) neighbors who will give you peace in your home. For more info, please visit the Craigslist housing posting.

If you contact the landlord let them know you are medical students and looking for housing. Again, this landlord is highly motivated to get medical students into his property at the request of neighbors.
