**Summer Rental Home Available June 30 - July 21**
This home is located on the Shelburne Falls Rd, 15 mins from UVM. $800/week. 3 bedrooms, 2 1/2 baths. Up to 6 adults could fit comfortably, children welcome. We have two queen beds, one double bed, one single bed, a small futon mattress that could be used on the floor for a child, and a pack-n-play for babies. Located on 13 acres at the end of a dirt road (Weed Rd) that is great for jogging/walking/kids bikes (no thru traffic). Wildlife abounds: you will hear peepers and owls at night. Enjoy forested trails and pretty sunsets with pastoral views from the back porch. The house and yard stay cool in summer with plenty of shade (we rarely have to use fans, no A/C). Master bedroom has a slider out to a back porch for sunbathing and a two-person jet therapy tub, which we will refresh with new water before guests arrive.

Our tenant lives next door in an attached apartment - she is a lovely woman in her 40s who is not home much but you may see her out back in the vegetable garden. She has a sweet dog who may say hello and is very gentle with children. Sorry, we can't have any other pets stay here. We have an upright piano that gets tuned regularly; in the yard there is space to play ball, a hammock and swing/slide/cliping wall for little kids (we have a 4 yr old), and a zip line for kids/adults 10+. Tenting (or yoga!) platform in backyard. *Note: we do not have cable TV. We do have WiFi and strong cell phone reception. W/D in the basement. Visit the Vermont Craigslist posting to view photos.
