**Subject:** #Weekly Wire - RAD meetings and MSPE

Class of 2018:

Sign up for your [Residency Application Discussion](#) meeting with Dr. Zehle and complete your sections of the MSPE! Upload your Pre-Meeting Survey in Oasis in advance of your meeting, along with a copy of your CV and Personal Statement. Go to the Academic History section of Oasis and select the MSPE tab.

The online MSPE system is up and running. Please go to <https://comis.med.uvm.edu/mspe> to enter your info. We are asking for a brief introductory paragraph about yourself before medical school, 5 to 10 sentences, and 3 “Noteworthy Characteristics” – things about yourself that you would like to highlight, like awards, interesting experiences, talents, volunteer work or leadership activities, etc. These should be one or two sentences each. The link is also posted in Oasis so you can find it easily to make updates or corrections to your info. Please have these sections of the MSPE completed for the meeting so that Dr. Zehle can begin working on the draft and make suggestions.

See the “New notices” link and the “Announcements” box at the top of your Advanced Integration schedule page in Oasis for more information.
