

World Congress on Vaccines Research and Development

Dubai, UAE

All Day Event

This world congress aims to gather researchers, renowned speakers, Microbiologists, Immunologists, Clinicians, Doctors, Clinical Practice Managers and other members of the Vaccines research from across the globe. The scientific program paves a way to gather visionaries through the research talks and presentations and put forward many thought provoking strategies. Please share and showcase your innovations, research findings, and expertise with delegates from around 30 countries.

Benefits of Attending

- All accepted abstracts will be published in the respective Journals
- Each abstract will receive a DOI provided by Cross Ref
- Special privileges on group registrations
- Chance of B2B meeting
- Opportunity to organize Workshop/Symposium

For more details of scientific sessions and submission of abstract please visit the below link https://biocoreconferences.com/vaccines2018/abstract_submission.php

We would like to thank you in advance for your scientific contribution to Vaccines 2018

Best regards
