

CONFERENCE SUMMARY

COURSE DESCRIPTION

Please join us for this 24th annual conference! This conference will provide anesthesiologists, nurse anesthetists, and anyone with an interest in the field of anesthesia with practical reviews and timely, informative clinical updates on a variety of topics of current interest. Participants will be able to identify and discuss recent developments and trends through comprehensive didactic sessions. Faculty includes recognized experts in their fields, both on a national level and from the University of Vermont. The atmosphere will be friendly and informal and there will be ample time for questions and discussion with faculty and colleagues.

COURSE OBJECTIVES

- Review recent data on opioid prescribing.
- Understand current thinking surrounding perioperative fluid therapy, particularly as it relates to Enhanced Recovery Protocols.
- Discuss the unique physiology and pharmacology concerns in the pediatric patient.
- Review current issues in opioid-based pain management.

PERIOPERATIVE CRISIS MANAGEMENT SIMULATION WORKSHOP

This one-day simulation course will provide an immersive experience that incorporates management of critical incidents, team interactions, and resource utilization. In addition to clinical scenarios, the course will include hands-on practice of pediatric airway management and emergent and difficult vascular access. Price includes tuition, coffee, lunch, parking and MOCA 2.0® Part 4 Improvement in Medical Practice credits. This workshop will take place on campus at the UVM Clinical Simulation Laboratory, which is located at 106 Carrigan Drive in Burlington.

WORKSHOP OBJECTIVES

- Develop strategies to apply technical and cognitive skills to treat anesthesia emergencies.
- Develop strategies to apply crisis management, teamwork and communications skills during clinical crisis situation.
- Develop strategies to apply reflective and self-assessment skills to review and analyze clinical performance.

ACCREDITATION

In support of improving patient care, The Robert Larner, M.D. College of Medicine at the University of Vermont is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The University of Vermont designates this live activity for a maximum of 23 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This program has been reviewed and is acceptable for up to 23 Nursing Contact Hours.

MOCA 2.0® credit will be offered after successful completion of the evaluation component for an additional fee of \$25.

This conference includes 2 credits in Hospice, Palliative Care, Pain Management and 1 credit in Prescribing Controlled Substances.

Credit for other providers is pending.

Please note: If you do not participate in the optional, pre-conference workshop, the conference is accredited for 17 credits.

Refunds, minus an administrative fee of \$75, will be made only if notice of cancellation is received in writing by February 6, 2019. Refunds are not possible after that date. **Registrations are requested by February 15, 2019.**

CONFERENCE SYLLABUS (ELECTRONIC DOWNLOAD)

The conference syllabus will only be available as an electronic download with presentations as PDF files. Please plan to bring your laptop or electronic device with you to the conference to view both the conference materials as well as to complete the online conference evaluations via the UVM CMIE credit system. You will receive an email notification (via the email you used to register for this conference) about a week prior to the conference start date that presentations will be available for downloading. Please note: Printed syllabus, paper copies of evaluations and paper CMIE certificates will not be provided.

TRANSPORTATION

Stowe is 10 minutes north of exit 10, I-89 on Route 100. The local roads leading to the Stowe Mountain Lodge are clearly marked. Burlington International Airport at Burlington, Vermont is served by several major airlines. Car rental or taxi to Stowe is available. Consult your travel agent or airline reservation desk for information. You may wish to rent a car for the 45 minute trip from Burlington to the hotel and to take advantage of the many fine restaurants and shops in Stowe Village and the surrounding area.

STOWE MOUNTAIN IS EPIC!

Stowe is now part of the Vail Resorts family. EPIC passholders can ski Stowe at no extra charge!

Stowe's interconnected cross-country ski centers provide one of the largest, most diverse trail systems in the United States. More than 150km of groomed and 100km of back-country trails criss-cross Stowe's landscape.

The Stowe Mountain Lodge offers extensive recreational facilities and superb artisan inspired cuisine. A world class spa, heated pool with swim out access and full service fitness center are located on-site.

The Jackson Arena in Stowe Village has public skating hours and Nichols Lodge offers snowmobile rentals and their own trail system. In addition, there are plenty of boutiques and lots of après ski activity in Stowe Village. Call the Stowe Area Association at (802) 253-7321 for information or visit their website at www.gostowe.com.
