

The University of Vermont
LARNER COLLEGE OF MEDICINE

VISION AND MISSION

The Vision of the University of Vermont (UVM) is to be among the nation's premier research universities with a comprehensive commitment to a liberal arts education, environment, health, and public service.

In support of this vision, the mission of the UVM Larner College of Medicine is to educate a diverse group of dedicated physicians and biomedical scientists to serve across all the disciplines of medicine; to bring hope to patients by advancing medical knowledge through research; to integrate education and research to advance the quality and accessibility of patient care; and to engage with our communities to benefit Vermont and the world.
